Through:- The Revenue Commissioner in Mysore, Bangalore.

SIR,

Cen 17-11 Sec. 163

In continuation of my letter No.2711, dated 8th March 1911, soliciting sanction for the entertainment of Supervisors on salaries not exceeding Rs40/- in any one case, I have the honor to submit the following details regarding the organization of the Abstraction Office:-

2. To begin with, I propose to have one section for each of the Districts of Tumkur, Chitaldrug, Kadur, Hassan, and Shimoga. There will be two sections each for Mysore, Kolar and Bangalore Districts (inclusive of C.& M. Station) owing to their size and importance. Thus eleven sections will begin work for the present.

3. Each Section will consist, in the initial stage, of one Supervisor, one Assistant to Supervisor, 10 Examiners and 2 attenders. Two Checkers (Examiners) will be added on to the Section when the slip -- copying stage is reached. The size and the number of Sections will -- vary from time to time, increasing when slip copying is going on and decreasing during the other stages of the examination of the Schedules slip-sorting and compilation.

4. The Supervisor and his assistant will be generally chosen from the official applicants who are found to have had previous experience in the Abstraction Office of the Census of 1901, or to have worked as Census Officers in the present Census. In each Section as

as far as possible four examiners will be officials with Census perience. In the case of the other examiners preference will be given to non-officials with experience of Abstraction work in the Census of 1901 over officials without Census experience. The attenders will be chosen from literate men and will consist of both Officials and non-officials.

5. In the case of Officials Supervisors, I propose to give a local allowance of Rs.5/- in addition to their present pay. The other examiners will be given an allowance of ~~xxxx~~ three Rupees in case where their present salary does not pertain to a graded or -- acting appointment and in other cases a lumpsum will be given according to general qualifications and the Census experience they may happen to possess. I solicit the orders of Government as to whether the scale of local allowance proposed by me is adequate or whether they may be raised to Rs.10/- and 5/- respectively in the two cases.

6. In conclusion, I beg to state that orders of appointment to five Supervisors, 49 examiners and 8 attenders have been issued already, the Official -- superiors of officials being duly informed of the same. The Officials of the Records Branch have all been appointed and I hope they will be ready for the work before them by the 13th Instant.

I have the honor to be,

Sir,

Your most obedient servant,

For Census Superintendent.

Office of the Census Superintendent in Mysore,

Dated, Bangalore, 5th April 1911.

Dear Sir,

Adverting to Government Proceedings No. Fl.4506-7/Cen17-1 dated 27th March 1911 sanctioning the scale of local allowances in the case of Supervisors and Examiners, I have the honour to state that many of the candidates for employment have declined to accept the appointments on the ground that the scale is low and insufficient to cover the cost of living in Bangalore.

2. As I have already pointed out in my letter No. 2711 dated 8th March 1911, the deputation allowance suggested by the Census Commissioner is Rs. 10/- in the case of Supervisors. I have also since ascertained by reference to the Madras Census Superintendent that the allowance given to Supervisors is Rs. 15/- in the case of men from District Offices and Rs. 10/- in the case of men in Madras Offices. A copy of the Madras Government's Order on the subject is herewith enclosed for kind perusal and return. No scale appears to have been fixed for the Checkers and Abstractors corresponding to "Examiners" in the Mysore Code as these are expected to be mainly non-officials as in 1901.

Returned to Census Office 21/4

3. In the circumstances above set forth, I would strongly recommend in modification of the Government Order No. Fl 4506-7/Cen. 17-10 dated 27th March 1911 that a local allowance of at least Rs. 10/- be granted to all Supervisors whether coming from District Offices or elsewhere (including Bangalore Offices) and that a local allowance of Rs. 5/- be granted to Examiners, no distinction being made between men coming from Bangalore Offices and those coming from elsewhere.

4. I solicit the favour of early orders on this letter.

Yours sincerely,

To

T. Ananda Rao, Esquire, B. A.,

OFFICE OF THE CENSUS SUPERINTENDENT
IN MYSORE.

Bangalore, 6th April 1911

Dear Sir,

There are at present 11 sections working in the Census Abstraction Office, each consisting of about 10 Examiners and two or three attenders and stampers.

2. The First Assistant Superintendent is in charge of 6 sections consisting of 60 examiners and 12 attenders and the Second Assistant Superintendent is in Charge of 5 sections consisting of 58 examiners and 14 attenders. The sections are at present engaged in the examination of schedules. An additional section for compilation will also have to be shortly organized. From the experience gained of the working of the sections and from the scale suggested in para 7 of Chapter II of Part II of Imperial Census Procedure Code, it appears very necessary to have two Head Supervisors or Inspectors one under each Assistant Superintendent for assisting them in training the staff and supervising the work. For this appointment four men are avail-

available, viz.,

1. Surasena Rao, B. A., (now Accountant in the District Forest Office of Chikmagalur);
2. B. J. Subba Rao, B. A., (now Teacher in Wesleyan Mission High School, Bangalore);
3. Raghavan, B. A., (a Teacher in Government High School Bangalore);
4. S. Narasimmiengar, B. A., (Sub-Registrar)

3. All these are reported to have done well in the last Census Abstraction Office. I would propose the grant of a local allowance of Rs. 20/- to each of the two Selected Officials -- over and above the pay they are now drawing. Before they are formally appointed, I shall, of course, ascertain if -- they are willing to accept the appointments and if their-- Official Superiors are willing to spare their services.

The appointments are --expected to last for not less than a year.

I solicit the favour of early orders on the above proposal.

Yours Sincerely,

M Visvesvaraya
